OCTOBER 2015

About Your SNT Team

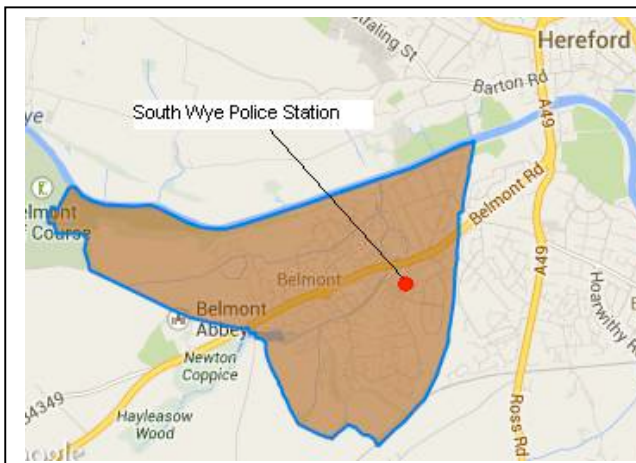

Safer Neighbourhood Teams work with local people and partners to identify, tackle and solve issues that matter to the community where you live.

Making neighbourhoods safer by cutting day to day crime and anti-social behaviour is at the heart of keeping people in West Mercia safe. Thanks to an investment in mobile tablet style computers, these will enable officers to spend more time on patrol on the street and in neighbourhoods.

Officers will continue to come to people when they need them and provide a high quality service however you contact us - in person (on the street, at community bases and at partners and communities together [PACT] meetings), on the phone or online.

Where we work

Belmont SNT is based at:
South Wye Police Station.

General Policing

During the month of September 2015 we had **178** incidents reported to the police for the Belmont Safer Neighbourhood area, which were either attended or dealt with by us or response officers.

32 of these incidents were what we call "Grade 1", which means a 999 emergency call, which is either something life threatening or a crime in progress.

A very quiet month with fewer incidents reported, and less crime than previous months.

DON'T LET HALLOWEEN LEAVING YOU SPOOKED OUT!!

TIPS FOR TRICK OR TREATING!

- 🍁 Adults should always accompany children when trick or treating!
- 🍁 Do not knock on doors of strangers. Only go to the people you know. Never go into a strangers house.
- 🍁 Always keep to well-lit areas. Wear bright clothing and always carry a torch. Remember road safety.
- 🍁 Unless pre arranged, do not visit elderly members of the community. Be careful not to frighten vulnerable people.
- 🍁 Keep your tricks within the law. Basically nothing that causes damage.

And finally on a lighter note...

Why did the vampire need mouthwash?
Because he had bat breath.

What do you call a witch who lives at the beach?
A sand-witch.

What did the skeleton say to the vampire?
You suck.
