About Your SNT Team

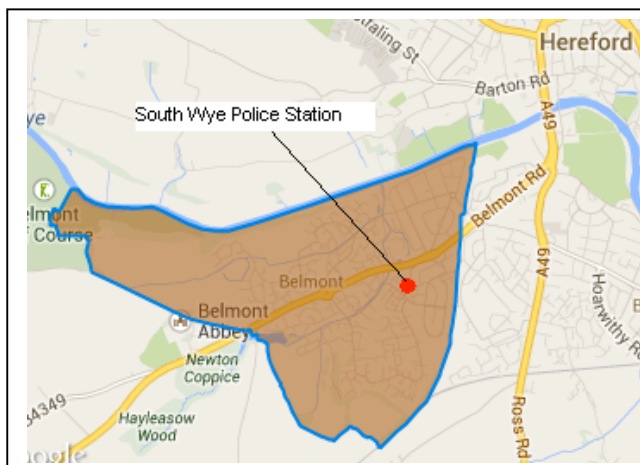

Safer Neighbourhood Teams work with local people and partners to identify, tackle and solve issues that matter to the community where you live.

Making neighbourhoods safer by cutting day to day crime and anti-social behaviour is at the heart of keeping people in West Mercia safe. Thanks to an investment in mobile tablet style computers, these will enable officers to spend more time on patrol on the street and in neighbourhoods.

Officers will continue to come to people when they need them and provide a high quality service however you contact us - in person (on the street, at community bases and at partners and communities together [PACT] meetings), on the phone or online.

Where we work

Belmont SNT is based at:
South Wye Police Station.

General Policing

During the month of December 2015 we had **161** incidents reported to the police for the Belmont Safer Neighbourhood area, which were either attended or dealt with by us or response officers.

37 of these incidents were what we call "Grade 1", which means a 999 emergency call, which is either something life threatening or a crime in progress. A typical number of incidents reported as last month. A decrease in crimes this month, the greater numbers being in Assaults. We have processed the same detection rate as last month.
